Vellore, TAMIL NADU, 632014

Skills

- CUDA
- Linux Programming
- C Programming
- VHDL Programming
- RTOS
- ARM Cortex M3
- Quantum Cryptography
- Lightweight Cryptography

Language I can speak

Marathi, Hindi, English

Summary

Dynamic embedded systems professional with solid experience in CUDA C++, Linux development, and VHDL design. Known for strong problem-solving skills and a commitment to excellence in high-performance computing projects.

Education

JSVP, Pune Board
SSC, 80%
Piliv, Maharashtra Jun 2008

New English School and Jr College Bhawani, Pune Board
HSC - Science, 68%
Bhalwani, Maharashtra Jun 2010

Department Of Technology, Shivaji University Kolhapur
B.Tech - Electronics and Communication Technology, 72.74%
Kolhapur, Maharashtra Jun 2014

Vellore Institute of Technology Vellore
M.Tech - Embedded Systems, CGPA: 8.04
Vellore, Tamil Nadu Jun 2017

Vellore Institute of Technology Vellore
Ph.D (Pursuing) - High Performance Computing, CGPA: 9.42
Vellore, TAMIL NADU Pursuing

Projects

- **Scientific workflow Scheduling using Cloud Computing:** Developed new algorithms (PSO, MCT) which can reduce makespan of workflow cloudlets.
- **Keyless Keypad:** Hand drawn letter printed on the LCD screen using 8051.
- **Keyless Keypad using FPGA:** Hand drawn letter printed on the LCD screen using FPGA.
- **Round Robin Scheduling of two tasks using RTOS:** Two parallel tasks are scheduled such a way that they should run in round-robin fashion.
- **FMCW RADAR system using laptop (MATLAB):** This project measures the speed and distance of the object. System works on 8 AA batteries. RADAR range is up to 1 km range.
- **Motion detection using PIR sensor:** Motion is detected and sound is produced using PIR sensor and 8051.
- **Wi-Fi sniffing of unconnected devices using esp8266:** Capturing mobile devices (stations) MAC id, RSSI and channel number. Specially, when they are not connected to router (AP).
- **Controlling GPIO through AWS-IoT console using mqtt protocol and JSON:** Connecting esp8266 to AWS-IoT using mqtt protocol. Controlling GPIO pins using JSON.

Workshop Attended

- Real (World) Applications of Quantum Computation – An Introductory Lecture FDP by TLCE VIT Vellore, 6th Apr 2026.
- From Deep Learning to Agentic AI: Intelligent Decision Making in Healthcare Applications FDP by VIT Vellore, 16–23 March 2026.
- Technical Documentation with LaTeX conducted by VIT Vellore, 14 Oct to 12 Nov 2025.
- Introduction to Endnote for efficient citation conducted by Dr. Oliver Gruenvogel, 10 November 2025.

- Three month workshop on Internet of Things using sensors and cloud held by TIFAC-CORE at VIT University Vellore, February 2016.
- One day IBM workshop on Scope and Opportunities in Mainframe Computing – TIFAC-CORE at VIT University Vellore, 23 January 2016.
- Certificate for SciLab workshop (spoken tutorial) from IIT Bombay, 14 May 2014.
- Five day workshop on Robotics and Embedded Systems by Campus Component Pvt. Ltd, Shivaji University Kolhapur, 21–22 August 2013.
- One day national level workshop on Organic Electronics Devices held by Department of Technology, Shivaji University Kolhapur, 24 September 2013.

Publication

- N. L. Ujwal Kumar, D. Shinde and M. Arun, "GPU-Accelerated Post-Quantum OTA Key Exchange Using Batch-Optimized ML-KEM," in *IEEE Access*, vol. 14, pp. 135519-135527, 2026, doi: 10.1109/ACCESS.2026.3728882.
- AIMLA conference (IEEE conference) conducted by KSR College of Technology Tiruchengode, on 16 and 17 April 2026.
- i-PACT (IEEE conference) conducted by VIT University Vellore on 21 and 22 April 2017.
- 11th International Conference on Science, Engineering and Technology (ICSET) held by VIT University Vellore on 3rd and 4th of November 2016.
- 12th International Conference on Science, Engineering and Technology (ICSET) held by VIT University Vellore on 2nd and 3rd of May 2016.

Personal Information

- **Skills:** Smart worker, ability to work under pressure.
- **Date of Birth:** 14th November, 1992.
- **Address:** CBMR 105, VIT University Vellore.
- **Gender:** Male.

Declaration

I do hereby declare that the particular and facts stated herein are true and complete to the best of my knowledge and belief.
